Dear Colleagues, Dear Friends,

On behalf of Czech workers, the Czech-Moravian Confederation of Trade Unions expresses horror and deep sorrow over the victims of a terrorist attack in Nice. We stand in solidarity primarily with those who are still fighting for their lives, with those who will bear the results of injuries for the rest of their lives, with the families who lost their loved ones, with their friends and colleagues – our brothers and sisters, trade union colleagues, our friends. We extend our support and gratitude to the emergency, healthcare, security and administrative personnel who work hard to help the community absorb the shock of the massacre.

In sombre moments such as this one, it is crucial to provide each other with the strength and solidarity to carry on with daily lives which now seems to be the most difficult task.

Attacks in Nice are attacks against all of us – our lives, our dignity, integrity, tolerance. These are attacks against our core values of democracy, freedom and solidarity. We have to stay united shoulder by shoulder and carry on pursuing our common values – peace, solidarity, friendship. This is the only answer to these terrific events. Our thoughts are fully with you.

In solidarity,

Josef Středula  
ČMKOS President
